

Henrietta Herbolsheimer, MD Annual Public Service Award

Winner of Award Announced at
the Annual Midwest Clinical Conference

Award background and nomination guidelines

The Chicago Medical Society's Henrietta Herbolsheimer, MD, Annual Public Service Award recognizes outstanding contributions, which need not be health-care related, in the fields of local community service and government. The award is intended to better describe to the city of Chicago and Cook County the work of physicians in their communities and to promote the interest of CMS members in participating in civic affairs. Previous award winners have been honored for such achievements as organizing local health fairs and taking part in neighborhood youth programs. The honoree **MUST** be a CMS member, and he or she will be selected primarily on the basis of service contributions to the community. Past presidents of CMS are not eligible until five years after their term of office has ended.

To nominate a physician, please provide the following information in its entirety.

1. Biographical data (please attach an updated curriculum vitae, or attach a sheet giving in 300 words or less the date and place of birth, education, pertinent professional information, and, if desired, family information).
2. Photograph (all nominations should be accompanied by a black and white, glossy, head-and-shoulders photo of the nominee).
3. List the reasons why you are nominating this physician for the Henrietta Herbolsheimer, MD, Annual Public Service Award. The greatest weight in judging will be given for activities that benefit the physician's community. These may include, but are not limited to, the following: (a) leadership and development of special community projects or programs; (b) public offices held; (c) participation in civic and service groups; and (d) participation in educational, charitable, church and other projects. Please be specific with dates, offices held, committee memberships, and so forth.

Everyone is encouraged to submit nominations. In the past, a number of nominations have come from the general public. Other nominations have been made by civic groups, hospitals, public officials, friends, medical colleagues, CMS District organizations, and medical specialty groups.

There are many good physicians. Please keep in mind that this award is not only for excellence as a physician, but also for the many things a physician accomplished in addition to his or her professional medical work. Nominations may be made by letter or by completing the following nomination form.
