 *A light dinner will be provided
Location: Embassy Suites-Chicago Downtown
 600 North State Street, Chicago, IL 60654
 www.embassysuiteschicago.com
Speaker: **Tracey A. Salinski, Esq.**, Inside Out Legal, LLC, Chicago, IL
Ms. Salinski has disclosed that she does not have any relevant financial relationships with commercial interests.

Overview:

As the use of personal devices, laptops and the "cloud" in the practice of medicine becomes more common, the number of cyber-attacks upon health care entities is increasing at alarming rates. As a consequence, health care entities face the real threat of significant data breaches. This course will better help physicians and practice managers understand and identify areas of risk and improve compliance with the protection of the privacy and security of patients' data as required under HIPAA.

Desired Learning Outcomes: At the completion of this learning activity, participants should be able to:

1. Improve how they identify areas of risk and potential exposure to liability under HIPAA.
2. Update policies and procedures to improve awareness and reduce potential occurrences of HIPAA non-compliance.

The Chicago Medical Society is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Chicago Medical Society designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit (s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following planning members of the Chicago Medical Society's CME Committee have disclosed that they do not have any relevant financial relationships with any commercial interests: *Ajay Chauhan, MD, Chairman, Howard Axe, MD, Kenneth G. Busch, MD, Course Director, Loren Schecter, MD, Vickie Becker, MD, Adrienne L. Fregia, MD, Robert W. Pantan, MD, Kathy Tynus, MD, and Cecilia Merino, Director of Education.*
